

Spanner Wrench Set Storz x Universal

Spanner accommodates 4" and 5" Storz couplings/adapters. Spanner has special feature which matches to lock on coupling and engages lock at same time as Storz lug. All metal construction with aluminum holder – no plastic. Spanner includes gas shut off slot. Spanner also accommodates rocker lugs from 2.5". Spanners are slightly bent so can be picked up from smooth surface. Holder accommodates 4 spanners in quick release bracket.
