FIRE APPARATUS SUPPLY AGREEMENT

AWG-Fittings, LLC., Inc. hereby agrees to make their products and replacement parts available to _____ located at _____ when these products are to be furnished on new and/or refurbished fire apparatus sold by them. The discount extended on these products and parts will be **50%** from the applicable list price sheet in effect at the time the bid or quote is submitted.

AWG-Fittings, LLC. will also provide extended delivery of these products up to the delivery date of the apparatus and will ship to Supplier's warehouse or drop ship to the destination of the apparatus (within the Continental U.S.).

The Fire Apparatus Supplier agrees to furnish only AWG-Fittings, LLC. products when specified by the end user or when specifications do not call for any product by brand name or model number. The Supplier also agrees not to sell or participate in the sale of these AWG-Fittings, LLC. products as loose equipment; i.e., when products are not to be furnished as part of new/refurbished apparatus sale.

Either party may terminate this Agreement by giving the other party at least sixty (60) days notice prior to the date of termination. In addition, AWG-Fittings, LLC. may terminate this Agreement upon ten (10) days written notice if supplier fails to make timely payment of invoices.

This agreement shall be governed and construed in accordance with the laws of the State of Massachusetts.
